

WESTERN AUSTRALIAN
COLLEGE of AGRICULTURE
Denmark

Uniforms and Residential Requirements 2020

Uniforms

The student uniform is practical and relevant to the agricultural industry. It is important that students wear and are proud of their uniform. You will note that the clothing list specifies dark brown dress boots as the required footwear. Please ensure that students begin the College year with the appropriate uniform including dark brown dress boots which are different to work boots.

All College uniform items listed in the section below can be purchased through numerous local suppliers **or any alternate supplier of your choice**:

Names on Clothing

Names must be on collar of shirts, jumpers, t-shirts, jackets, singlets etc. All clothing must be clearly and permanently marked with the student's first and last names. Printed school name tags are required; the large lettering is best. Please sew them on by machine. Iron-on nametags are not acceptable as they do not stay on.

Class Uniform

The suppliers listed on [page 2](#) can assist you with your uniform purchases. Please note individual suppliers may have specials or incentives unique to their business.

Parents / carers are welcome to purchase uniform items at alternative suppliers but please remember that the overall quality, presentation and standard of the uniform must be adhered to. Please refer to the correct Code Numbers (where available).

Any personal medical supplies

Use of the College Logo

Logo Size: To ensure maximum impact and to preserve the integrity of our brand, there exists an area of 'clear space' around the logo into which no item should appear. The exclusion zone is the cap height of the wordmark text (as per example). As a general rule, the logo must always appear legibly on a clear background with more clear space being always preferred. To ensure legibility is maintained the width of the logo should be no less than 35mm.

Font: Our logo fonts are Trajan Regular and Berkeley Oldstyle Bold Italic. Berkeley Oldstyle Medium is used primarily for body copy, the Microsoft Office option is Minion Pro Regular.

Colours: Colour is an integral part of our identity. There are essentially four key colours that make up our brand. Only specified colours should be used and it is essential that the colour breakdowns are used accurately and consistently. On dark materials, the wording is to be printed in white font. On light materials, the wording is to be printed in black font.

To request a full style guide, please contact the College via:

denmark.wacoa@education.wa.edu.au

The **WA College of Agriculture - Denmark** educates the rising stars of the agriculture sector in an exceptional specialist school that the industry values, protects and nurtures.

Our mission is to develop in students the skills, knowledge and attitudes to reach their full potential and contribute positively to society.
