## 5.14 Hair Guidelines

### Grooming

When students are offered a place at the WA College of Agriculture - Denmark it is conditional on meeting the standards of grooming required by the College.

### Hair:

1. Hair must be clean and tidy, and is not to be cut less than a “number 2” length.
2. Hair longer than collar length must be tied back during instructional time and while on school excursions.
3. Hair styles are not to follow the extremes of fashion. Styles considered unacceptable include:
  - undercuts,
  - Mohawks,
  - dreadlocks,
  - multi-dyed; and
  - hair dyed an unnatural colour.
4. Within reason students may be permitted to have shades or tints. Any dyeing of hair must not take place on campus.
5. Students should confer with the Residential Manager or Deputy Principal before committing to a particular style.
