

**WA College of Agriculture – Denmark
Autumn Ball 12th April 2019**

Information for parents of partners (Students NOT from the WACOA Denmark)

Dear Parent/Guardian

Your son/daughter has been invited to be a partner of one of our students at the annual College Ball on Friday 12th April 2019. It is a requirement of the Department of Education that your consent is obtained; this will allow you to make an informed decision about your child's participation and give you the opportunity to provide us with any relevant information. Please find the enclosed details about the excursion (College Ball).

As this is a school initiated activity, students are required to abide by the established school rules. Where there is a breach of any of these rules, contact will be made with parents and appropriate action will be taken. This may include parents being asked to collect their son or daughter from the College ball. Parents/Guardians and young people attending should be aware that the College has a no tolerance policy regarding alcohol and other drugs. Conditions of attendance are attached for your information.

Young people attending who are not College students must declare their age to be over 15 and under 21 at the time of the ball. Date of birth must be provided on the permission slip.

All students and guests attending the ball must wear appropriate ball attire.

Please complete your Parent/Guardian consent form and return to the college. This consent is essential to your son/daughter attending our college ball. Payment for ball tickets (Cost: \$75) must be completed before attending the ball and may be arranged directly with the College or via the student your child is attending with.

If you require further information regarding the College Ball please contact me on 98480200.

Yours faithfully,

Kelli Gillies
Residential Manager
