

KL & ML Bidstrup Scholarship

The Bidstrup family offers this scholarship in recognition of the support, enthusiasm and access to fantastic opportunities we experienced at the Denmark College of Agriculture, a unique institution providing world class education and hands-on experience in the agricultural industry. We see this as our chance to pass on our gratitude, and hope the scholarship will help inspire and support the next generation of agricultural students to dream big, push the boundaries and tackle current and future challenges, as well as contribute to the wider community.

This scholarship entitles the recipient to \$500, to be used towards funding an extracurricular activity in the field of agriculture. Examples of suitable extracurricular activities may include but are not limited to: relevant work experience; camps such as the Brunswick Cattle Camp; events such as the SYDF Techspo, or training such as artificial insemination courses.

To apply for this scholarship applicants must fit the Eligibility requirements and fill out the attached form, including a short-written section describing how they would use the scholarship funds if they were successful. Applicants must also provide the contact details for one referee, this should be someone who can speak of your character and ideally should not be a teacher or family member.

Apply for this scholarship by providing your completed application to jtmbidstrup@gmail.com before 12PM on the closing date of 18th October.

The recipient of this scholarship will be announced on Friday the 15th of November at the WA College of Agriculture - Denmark Graduation Ceremony.

Eligibility

- Applicants must be Australian citizens
- Applicants must be enrolled for Year 10 or 11 in 2020 at WACoA Denmark

Selection Criteria

1. Application written section
