

WEEKEND FARM DUTIES

Student Information:

- The morning shift: 7am start meet farm staff at workshop
- Perform duties as required
- Times can vary from 3-5 hours
- Midday Break: Staff and students will leave the farm and return later for the afternoon shift.
- The afternoon shift: Beginning at 2.30 usually taking between 2-3 hours
- Once all tasks are completed staff and students depart farm

Please note: Non-residential students may stay in the recreation areas during the midday break with pre-planned permission from Residential Manager Ms Gillies.

If students are unable to do the weekend that they are rostered on for they are to swap or find a replacement from their year group and let myself or Kevin know by the Wednesday before.
