### LIFE MEMBERSHIP

The Chair and Committee of the Old Collegians Association invite all past students to become members of the Denmark Old Collegians Association, Western Australia.

The Association is served by an elected Committee and strives to:

Foster fellowship amongst all past students

- Promote the many affiliated groups of the Association
- Assist in allowing past students to remain in contact
- Promote the welfare of agricultural colleges in WA
- Promote advancement of students leaving the WA College of Agriculture-Denmark through sponsorship and mentoring.

The Association offers members an excellent opportunity to network at events and keep in touch with friends and colleagues. It fosters life long connections between past students. Affiliated groups conduct regular events to celebrate special occasions such as a reunion program.
